PLACEMENT EXAMINATION – General Information

IMPORTANT: Please note the information provided below is meant for Engineering and Computer Science (ENCS) students only. Non ENCS students must contact their corresponding faculty regarding placement examination.

Placement exams have been developed as a means for newly admitted students of Concordia University to obtain recognition for enriched studies that they have completed in a secondary school outside the Province of Québec.

Students who have successfully completed a secondary school course which covered material similar to the content of a first-year mathematics or science course at Concordia may request to write a placement exam for that course.

Placement exams are three (3) hours exams similar to the final examinations given in these courses. Students who are successful in the placement exam(s) may be awarded credit or exemption for the Concordia course(s). The following apply:

1. Placement exams can be written only during the scheduled period normally at the first week of classes in the Fall (September) and Winter (January) terms.

2. Only students who have been admitted to a degree or certificate program at the University for Summer, Fall or Winter may request to write the exams. Independent and visiting students are not eligible.

3. A request to write a placement exam will not be considered after one year from the date of the student’s first registration in the degree or certificate program for which the course is a prerequisite.

4. Students may not request to write a placement exam more than once in any one course.

5. Students may not write a placement exam in a course for which they have previously registered either at Concordia or any other post-secondary institution.

6. Students may not write a placement exam in a course for which they have previously written an advanced placement exam, an advanced level examination, an international baccalaureate examination or other similar examination.

7. Students may not write a placement exam for a course of a lower level than one already attempted. For example, a student who wrote a placement exam for MATH 205 may not subsequently write an exam in MATH 203.
PLACEMENT EXAMINATION SCHEDULE – January 2014

**Time:**
Placement exams may be written either in the morning or afternoon of **January 7, 8 and 9, 2014**. There are not specified days for each exam; students may write the exams on any scheduled dates. However, it is required to register for the exams in advance.

The time for the morning exams is scheduled from 9:00am to 12:00pm.
The time for afternoon exams is scheduled from 1:00pm to 4:00pm.

**Location:**
All exams will be held at the EV building (Engineering, Computer Science and Visual Arts Integrated Complex - 1515 Ste-Catherine West). The exact location will be confirmed via email.

**Registration deadline:**
Students must register by filling out the registration form below and return via email at waiyee.chow@concordia.ca no later than **Monday, January 6, 2014**. Alternatively, students may submit the form in person before the deadline date at EV2.139 (1515 Ste-Catherine West, 2nd floor, office 2.139).

**On the day of the exam:**
Students will be informed via email for any materials which they are allowed to use according to the exams they registered.

When students come to the exam, they must arrive no later than 15 minutes before the start of the exam. They must bring identification that bears both their photo and signature, such as Concordia I.D. card, health insurance card, driver’s licence or age of majority card. **Students will NOT be permitted to write the exam without this identification.**

**Exams available:**
CHEM 205 (General Chemistry I)
PHYS 204 (Mechanics)
PHYS 205 (Electricity and Magnetism)
MATH 203 (Differential and Integral Calculus I)
MATH 204 (Vectors and Matrices)
MATH 205 (Differential and Integral Calculus II)

*For the content of the courses above, you can look at the 2013-14 Undergraduate Calendar.*
REQUEST TO WRITE A PLACEMENT EXAMINATION

IMPORTANT: Please note this form is reserved for Engineering and Computer Science (ENCS) students only. Non ENCS students must contact their corresponding faculty regarding Placement Examination.

Application Deadline: Monday, January 6, 2014

(PLEASE PRINT)

Family Name: __________________________________________ Concordia Student ID: __________________
